To whom it may concern,

This letter in regard to the work of Mr. Dan Myher and his company, D. E. Myher Company.

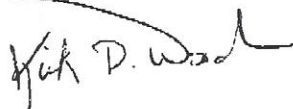

As an Builder working in the Industry for over twenty years, I have found it imperative to seek out only the very best quality, workmanship, imagination, and creativity. Dan Myher meets and surpasses all of these critical aspects to complete a successful project.

I have found Dan to be pleasant to work with and dedicated in his work, he delivers a lot of product for the price. My clients and I have been pleased with the design and execution of his projects.

Characteristics which Dan possesses and are most appreciated are his understanding and concern to develop a good repour with his clients and associates, as well as his ingenuity in resolving problems and providing desirable solutions.

It is because of all of the aforementioned qualities of Dan Myher that I feel confident and please to recommend the services of Dan Myher Company.

Sincerely,

Kirk D. Wooden
